

Wash Club Membership Terms of Service

Please read this section carefully. It describes an automatically renewing subscription.

1. Enrollment and Affirmative Consent

Our Wash Club is a monthly, automatically renewing membership administered through our membership platform at 3crr.mywashclub.com. We offer the following monthly Wash Club plans:

	Monthly Price
Unlimited Top Wash	\$54.99 / month
Unlimited Mid Wash	\$49.99 / month

Each plan provides unlimited washes at the selected wash level during the monthly term. All prices are exclusive of applicable New York State and local sales tax. Before you are charged, we will clearly disclose the membership price, billing frequency, and cancellation method, and you must affirmatively agree to the automatic renewal terms. We do not enroll you through pre-checked boxes.

2. One Vehicle Limit

Only one vehicle per membership is authorized to use the registered Member Number. Each vehicle registered must use its own Member Number and cannot be used with any other vehicle. Violation of these rules may result in program termination.

3. Recurring Billing

Once enrolled, your membership runs in 30-day terms. Your selected payment method will be **automatically charged at the start of each 30-day term** at the then-current

membership rate, and your membership **automatically renews** for successive 30-day terms until you cancel. Membership benefits are valid only during a paid 30-day term; access ends when the term expires if you have cancelled or your payment fails, and unused washes do not carry over.

4. How to Cancel

You may cancel at any time, and cancellation is as easy as signing up.

- If you enrolled online or through your account, you can cancel **online through your account** at 3crr.mywashclub.com — no phone call required.

- You may also cancel **by phone** at 845-633-1969 or **in person** at 2073 Central Avenue, Albany, NY 12205.

Cancellation stops future renewals. To avoid being charged for the next billing cycle, cancel before your renewal date. We do not provide prorated refunds for the current month unless required by law (see Section 5).

5. Post-Enrollment Acknowledgement

After you enroll, we will send you a confirmation by email restating the membership terms and cancellation instructions, in a form you can keep.

6. Price Changes

If we increase your membership price, we will provide clear and conspicuous advance notice between 5 and 30 days before the change takes effect, sent by the method you selected. We will either (a) obtain your affirmative consent to the new price before charging it, or (b) allow you to cancel and receive a prorated refund within 14 days of the first charge at the increased price.
